ARTICLE III.

ARTICLE IV.

CAPITAL STOCK

Section 1. Capital Stock - All Capital Stock of the Corporation shall be owned by the Western Upstate Association of REALTORS®, Inc.

ARTICLE V.

PARTICIPATION DEFINED

Section 1. Participation Defined - Any REALTOR® of this or any other Association who is a principal, partner, corporate officer, or branch manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto. However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service “membership” or “participation” unless they hold a current, valid real estate broker’s license and cooperate, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Cooperation is the obligation to share information on listed property and to make property available to other brokers to show it to prospective purchasers and tenants when it is in the best interest of their clients. Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under a Participant’s licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey “participation” or “membership” or any right of access to information developed or published by an Association Multiple Listing Service where access to such information is prohibited by law.

Note: Mere possession of a broker’s license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm cooperates means that the participant actively endeavor during the operation of its real estate business to list real property of the type listed on the MLS, share information on listed property and make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients. “Actively” means on a continual and on-going basis during the operation of the Participant’s real estate business. The “actively” requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant as long as the level of service satisfies state law.

The key is that the participant or potential participant actively endeavors to cooperate with respect to properties of the type that are listed on the MLS in which participation is sought. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interest of their clients. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a “Virtual Office Website” (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to cooperate. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to cooperate only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied on a nondiscriminatory manner to all Participants and potential Participants.

Section 2. Application for Participation - Application for participation shall be made in such manner and form as may be prescribed by the Board of Directors of the Service and made available to any REALTOR® (Principal) member of this or any other Board requesting it. The application form shall contain a signed statement agreeing to abide by these Bylaws and any other applicable Rules and Regulations of the Service as from time to time amended or adopted.

Section 3. Discontinuance of Service - Participants of the Service may discontinue the Service by giving the Service thirty (30) days written notice and may reapply to the Service after three (3) months by making formal application in the manner prescribed for new applicants for participation provided all past dues and fees are fully paid.

Section 4. Subscribers - Subscribers (or users) of the MLS include non-principal brokers, sales associates, and licensed and certified appraisers affiliated with Participants.
